

Birthday Club

The Birthday Club is our way of saying thank you for being a patron of Jhons Place Ristorante Italiano. In order to be in the Birthday Club you needed to complete a Feedback/Customer Information Card, which is only available in the restaurant. Your information is kept on file and just before your birthday rolls around, we send to you an email reminder to come in and enjoy a Birthday Club dinner on us, up to a value of \$11.95.

Your Birthday Club dinner will include a starter of Pasta and White Beans in an Olive Oil dip, Fresh Bread with Butter, the Entrée, Chef's Choice dessert, and Coffee or Tea.

If you were able to provide us with a unique email address, we will send a personalized email reminder. After you have received your personalized email reminder, you can call the restaurant for a Birthday Club dinner reservation. Reservations are required for a Birthday Club dinner. When the date of your reservation rolls around, you will have to print a copy of the email, bring it with you to your Birthday Club dinner, and remit it to your server. Mangia Bene!

For those without a unique email address, you can still participate in the Birthday Club by visiting the restaurant, enjoying a fine meal, and then providing us with your key contact information, and your date of birth as requested on the Feedback/Customer Information Card. Again, these cards are only available in the restaurant. After completing the card, and after we have entered your information into our system, you are in the Birthday Club. When your birthday rolls around, call for a Birthday Club dinner reservation. Reservations are required. Since you would not have received a personalized email reminder, we will need to verify that your key information resides in our system. After your information has been verified, you will need to visit our website, or have someone visit for you, and view and **print this page**. Bring this printed page with you when you come to the restaurant for your Birthday Club dinner. Remit it to your server. Our website is www.jhonsplace.com. Click PROMOTIONS, then BIRTHDAY CLUB.

Just a few other strings!
